Jon and Jennifer shared an updated document that clarified the roles, responsibilities, and time commitments for the two task forces and the executive steering committee for 2011. The members of the executive steering committee have all had a chance to talk to Jon and Jennifer about the task forces they would like to be on and how they would like to participate in Project Promise moving forward.

PPPC Activities:

Debra created a list of activities that Project Promise has been responsible for and a list of agencies that may be a good fit to carry those projects forward. The Awareness task force will continue to analyze which projects should be lead by an agency and which projects PPPC should continue.

FAQ

Jon and Jennifer have created a FAQ sheet that helps to explain the new PPPC structure and questions about the work PPPC will do for 2011.

Newspaper Insert:

Sandi Moore is proceeding with the newspaper insert for the Post Crescent on February 28th 2011. Jon and Jennifer will be writing an article for the insert. The insert is being paid for through a partnership between United Way, Project Promise, Thrivent, and the Post Crescent.
